

**Charlotte School of Ballet
Summer Schedule 2024**

We look forward to dancing with you this summer! Summer is an excellent time to reinforce and develop your technical skills and to stay connected with your studio family. Offerings are sorted by dancer age, and there is a grid schedule as well to help you schedule multiple dancers. We recommend registering early as class sizes will be limited. Contact the Business Office to schedule a time to review placement and/or answer any questions about registration and our summer classes.
